### Try SWE's Textbook Exchange!

At The Textbook Exchange you can purchase textbooks from fellow students at a lower price than the bookstore and get a little more for your used books!

Buy for Less...Sell for More!

### GET INVOLVED!

SWE offers a variety of different events to be involved with throughout the semester. Check out the kickoff meetings and upcoming events calendar below to get involved!

## A Letter from the President

### Welcome Back!

Welcome to UW-Madison's Society of Women Engineers. We are excited to have you onboard for an exciting year and look forward to meeting many new faces. SWE continues to be a highly active student organization on campus catering especially to women in science and engineering. There are a number of ways for you to get involved whether you're looking for professional development, fun, or a little of both. We sponsor numerous outreach events such as Habitat for Humanity, Engineering Tomorrow's Careers, and Girl Scout Badge Day. Plus, we host a number of events that give you valuable opportunities to meet new people and network with industries.

We encourage you to get involved today! Feel free to sign up for one or all of our committees! Thank you for your interest in SWE.

We hope to see you at our next event!

Talia Esser

SWE President 2006-2007
