

All About Jenna

Year: Freshman

Major: Biological Systems Engineering (BSE)

Why I joined SWE: The great activities and opportunities that SWE offers to its members drew me to the org. I am always looking for ways to extend my passion for engineering beyond the classroom and SWE allows me to do that and make connections with supportive, like-minded women in my field.

Favorite SWE Activity: JCI Next Engineering Day

Favorite Place in Madison: Henry Vilas Zoo

Interesting Fact: I love country music!
