Within most technology-rich industries, competitive advantages may be achieved not solely through well-planned technology alliances, but also through strategically developed IP portfolios and well-protected innovations.

**How We Can Help**

Foley’s Intellectual Property Department’s highly diverse team of IP attorneys, litigators, patent agents, scientists, engineers, and other professionals provide multidisciplinary, end-to-end IP legal solutions to help you manage, acquire, protect, and exploit the full value of your IP assets. We provide:

- **Strategic Counseling**: Freedom-to-operate opinions, portfolio analysis, industry IP landscape reviews, cybersecurity and privacy, and outsourcing
- **Enforcement**: Cease and desist letters, due diligence, opinion drafting, injunctions, discovery, declaratory judgments, and litigation avoidance
- **Procurement**: Patentability searches, domestic and foreign patent prosecution, defensive and offensive patent filings, and global trademark portfolio management, clearance, filing, and prosecution
- **Transactional**: IP due diligence, contracting, and negotiations for M&A, joint development, technology transfer, licensing, information technology, and other collaborative deals

**Our No-Cost, Value-Add Services**

- Docketing of all filings, plus custom docket reports
- “Watch” of USPTO records for and related infringement alerts
- IP analytics for global positioning and competitive strategy
- Customized training of your marketing team on relevant issues
- CLE programs to help your legal team stay updated and compliant
